Training courses

I have attended and participated in a large number of research and professional development training courses, workshops and seminars. A list of all attended training activities is available in a separate document upon request.

Computer Skills

Excellent computer skills, including Microsoft office, EndNote and statistical software.

Publications:

- **A. Setta, P. A. Barrow, P. Kaiser and M. A. Jones. 2012.** Immune dynamics following infection of avian macrophages and epithelial cells with typhoidal and non-typhoidal *Salmonella enterica* serovars; bacterial invasion and persistence, nitric oxide and oxygen production, differential host gene expression, NF- κ B signalling and cell cytotoxicity. *Veterinary Immunology and Immunopathology*.
- **A. Setta, P. A. Barrow, P. Kaiser and M. A. Jones. 2012.** Early immune dynamics following infection with *Salmonella enterica* serovars Enteritidis, Infantis, Pullorum and Gallinarum; cytokine and chemokine gene expression profile and cellular changes of chicken cecal tonsils. *Comparative Immunology, Microbiology and Infectious Diseases*.
