- The 7th international Scientific Conference of Faculty of Veterinary Medicine, South Canal University from 2-4 December, 2012.

Training courses

- The thirteen training course in the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University under the theme "Problems of Vaccination and immunity in Poultry Farms" from 20-25 August, 2003.
- The training courses in Computer Skills (Word, Excel and Internet) that held in the National Agriculture Library, Giza from 24 July-1st August, 2004.
- The training course entitled "Production of Recombinant Vaccine and Diagnostic Proteins" that was held at Biotechnology Center for Services and Researches (B.C. S. R.), Faculty of Veterinary Medicine, Cairo University, from 10-14 January, 2005.
- The training course entitled "Thinking Skills" that was held at Faculty and Leadership Development Center, Cairo university from 15-17 January, 2005.
- The training course entitled "Effective Communication" that was held at Faculty and Leadership Development center, Cairo university from 10-13 September, 2005.

- The training course entitled "Advanced Methods for Education" that was held at Faculty and Leadership Development Center, Cairo university from 24-27 September, 2005.
- The training course entitled "Polymerase Chain Reaction and its Different Applications" that was held at Biotechnology Center for Services and Researches (B.C. S. R.), Faculty of Veterinary Medicine, Cairo University, from 12-17 November, 2005.
- The training course entitled "Time Management and Work Stressors" that was held at Faculty and Leadership Development Center, Cairo university from 19-22 November, 2005.
- Present a lecture entitled "Applied P/M, Bacteriological, Virological and Parasitological Specimens Examination" in the training course of the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University from 26 November-14 December, 2005.
- Present a lecture entitled "Problems of Poultry Farms and how to Overcome them" in the training course for Veterinarians (Giza province), Faculty of Veterinary Medicine, Cairo University from 10-21 December, 2005.
- The training course entitled "Taking Decisions and Problems solving" that was held at Faculty and Leadership Development Center, Cairo University from 26-28 December, 2005.
- The training course entitled "Financial Aspects in Universities" that was held at Faculty and Leadership Development Center, Cairo University from 28-30 January, 2006.
- Present a lecture entitled "Field, Laboratory and Differential Diagnosis of Diseases Affecting Broiler Chickens" in the training course of the Center of Animal and Poultry Research and Management, Faculty of Veterinary Medicine, Cairo University from 5-7 February, 2006.
- The training course entitled "Course designing" that was held at Faculty and Leadership Development Center, Cairo University from 2-3 April, 2006.
- A workshop entitled "Effective Management for Courses" that was held at Faculty and Leadership Development Center, Cairo university from 12-13 April, 2006.
- The training course entitled "Teaching Using Technology" that was held at Faculty and Leadership Development Center, Cairo university from 15-18 May, 2006.
- The training course entitled "Administration of Scientific Research" that was held at Faculty and Leadership Development Center, Cairo university from 26-28 July, 2006.
- The training course entitled "Evaluation and Estimation of Humeral and Cellular Immune Response Against Causative Agents" that was held at Biotechnology Center for Services and Researches (B.C. S. R.), Faculty of Veterinary Medicine, Cairo University, from 16-20 November, 2008.
- A workshop on "The Seventh European Union Program for Research Projects FP7" that was held in Faculty of Veterinary Medicine, Cairo University on 25 August, 2008.
- A workshop on "The Seventh European Union Program for Research Projects FP7" that was held in Cairo University on 20 October, 2008.
- Present a lecture entitled "Preventive Measures against Avian Influenza" for the Red Crescent Society, Giza, that was held in El-Ahram Poultry Farm, 23 January, 2008.
- Present a lecture entitled "Preventive Measures against Avian Influenza" for the housekeepers in the Red

- Crescent Society, Giza, 2 July, 2008.
- Present a lecture entitled "Preventive Measures against Avian Influenza" in the Red Crescent Society, Giza, 2 December, 2008.
- Present a lecture entitled "Avian Influenza Disease and Its Preventive Measures" that was held in Business Enterprise Support Tools (BEST) unit, Giza.
- A workshop entitled "How to Read, Write and Present a Scientific Paper" that was held in Faculty of Veterinary Medicine, Cairo University, May, 2009.
- A workshop entitled "Research Projects for Basic Science Organizations", 8 July, 2009.
- The training course entitled "The Use of Technology in Teaching" that was held at Faculty and Leadership Development Center, Cairo university from 3-5 August, 2009.
- Supervision and practical training in the training course entitled "Diagnosis of Avian Viral Diseases, Practical Training on the Different Immunological Tests and How to Evaluate the Results" in the training course of the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University from 15-17 August, 2009.
- Supervision and practical training in the training course entitled "Veterinary Management for broiler Chicken Flocks" that was held in the Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of Veterinary Medicine, Cairo University, from 21 September- 2 November, 2009.
- The training course entitled "Quality Standards for Education" that was held at Faculty and Leadership Development Center, Cairo university from 22-24 March, 2010.
- Present a lecture entitled "Diagnosis of Avian Parasitic Diseases" for Veterinarians (Giza province), Faculty of Veterinary Medicine, Cairo University from 22-27 May, 2010.
- A workshop entitled "Research Methodology, Ethics, Scientific Writing and Presentation Technology" that was held in Faculty of Veterinary Medicine, Cairo University, May, 2010.
- Supervision and practical training in the training course entitled "Preventive and Control Programs against Diseases Affecting Broiler Chicken Flocks, Practical Application and Laboratory fellowship" that was held in the Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of Veterinary Medicine, Cairo University, from 2 March-14 April, 2010.
- The training course entitled "Application of PCR for Diagnosis of Mycoplasma Infection in Poultry" that was held at Biotechnology Center for Services and Researches (B.C. S. R.), Faculty of Veterinary Medicine, Cairo University, from 19-21 April, 2010.
- The training course entitled "Application of RT-PCR for Rapid Detection and Genotyping of Avian Influenza" that was held at Biotechnology Center for Services and Researches (B.C. S. R.), Faculty of Veterinary Medicine, Cairo University, from 26-28 April, 2010.
- The training course entitled "Scientific Publication" that was held at Faculty and Leadership Development Center, Cairo university from 12-14 July, 2010.
- Present a lecture entitled "Diagnosis of Bacterial Diseases of Poultry, Prevention and Treatment" in the training course that was held in the Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of

- Veterinary Medicine, Cairo University, from 19-22 July, 2010.
- Present a lecture entitled "Diagnosis of Bacterial Diseases of Poultry and Poultry Coccidiosis, Prevention and Treatment" in the training course that was held in the Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of Veterinary Medicine, Cairo University, from 26-28 July, 2010.
- The training course entitled "Effective Presentation" that was held at Faculty and Leadership Development Center, Cairo university from 20-22 September, 2010.
- Present a lecture entitled "How to Construct a Rabbit's Farm" for Veterinarians (Cairo province), Faculty of Veterinary Medicine, Cairo University, 11 October, 2010.
- Present a lecture entitled "Basics of Biosecurity Measures" for Veterinarians (Giza province), Faculty of Veterinary Medicine, Cairo University from 21 November-2 December, 2010.
- The training course entitled "Code of Ethics" that was held at Faculty and Leadership Development Center, Cairo university from 11-13 January, 2011.
- A workshop on "The Financial Support for Research Projects FP7" that was held in Faculty of Veterinary Medicine, Cairo University on 27 January, 2011.
- Present a lecture entitled "Bacterial Diseases Causing Locomotor Disturbances" in the training course that was held in the Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of Veterinary Medicine, Cairo University, from 10-13 April, 2011.
- Present a lecture entitled "Bacterial Diseases Affecting Turkeys and Ducks" in the training course that was held in the General Authority for Veterinary Services Center, 18 April, 2011.
- The training course entitled "Practical Course of Western Blotting" that was held at Biotechnology Center for Services and Researches (B.C. S. R.), Faculty of Veterinary Medicine, Cairo University, from 10-11 May, 2011.
- Organization of work shop "First Academic/Field Veterinarian Work shop" that was held under the supervision of Pfizer Egypt in Faculty of Veterinary Medicine, Cairo University, 11 July, 2011.
- Present a lecture entitled "Field Diagnosis of Diseases Affecting Broilers Flocks" in the training course that was held in the Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of Veterinary Medicine, Cairo University, 25 July, 2011.
- Supervision and practical training in the training course entitled "Sampling for Bacteriological, Virological and Mycological Examinations" in the training course of the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University from 9-13 October, 2011.
- Supervision and practical training in the training course entitled "The Most Important Bacterial Poultry Diseases, Prevention and Control Measures" in the training course of the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University from 17 October, 2011.
- A workshop on "Electronic Learning Course Designing" that was held in Electronic Learning Center, Cairo University, from 9-12 October, 2011.
- Present a lecture entitled "Parasitic Diseases of Poultry" for Veterinarians (Giza province), Faculty of Veterinary Medicine, Cairo University from 23-27 October, 2011.

وحدة ضمان الجودة

- A workshop on "Influenza Pandemics and Aquatic Animals: Ecological and Epidemiological Perspectives" that was held in Faculty of Veterinary Medicine, Cairo University on February, 2012.
- Passed the basic training program "Word Processing" within the training course, organized by the Center for Training Faculty Members and their Assistants and Workers (ICTC) combined to Information and Communications Technology at the University of Cairo in the period from 10 January to 15 March, 2012.
- Passed the basic training program "Information Technology Concepts" within the training course, organized by the Center for Training Faculty Members and their Assistants and Workers (ICTC) combined to Information and Communications Technology at the University of Cairo in the period from 10 January to 15 March, 2012.
- Passed the basic training program "Computer Use and Management the Files " within the training course, organized by the Center for Training Faculty Members and their Assistants and Workers (ICTC) combined to Information and Communications Technology at the University of Cairo in the period from 10 January to 15 March, 2012.
- Presented a lecturer entitled "Veterinary Medical Tests" that was held at the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University in the period from 25 June to 17 August, 2009.
- Presented a lecturer entitled "Laboratory Diagnosis of Poultry Diseases" in the training course that was held at the Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of Veterinary Medicine, Cairo University from 2 June to 14 July, 2012.
- Presented a lecturer entitled "Basics Broilers Industry" that was held at the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University and Veterinary United Union in the period from 25 to 27 August, 2012.
- Attended a workshop entitled "Strategic Plan" that was held in training unit, Faculty of Veterinary Medicine, Cairo University in 29 August, 2012.
- Presented a lecturer entitled "Grant Poultry Veterinary Medical Students" that was held at the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University in the period from 25 August to 6 September, 2012.
- Presented a lecturer entitled "Basics of Poultry Management" that was held at the Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University in the period from 16 to 20 September, 2012.
- Participated in practical training course entitled "Laboratory Diagnosis of Poultry Bacterial Diseases" under the supervision of the Unit of Diagnosis and Treatment of Poultry Diseases, Center of Applied Analytical and Veterinary Studies (CAAVS) and Poultry Diseases Department, Faculty of Veterinary Medicine, Cairo University in the period from 23 to 27 September, 2012.
- Presented a lecture and participated in practical training course entitled "Differential Diagnosis of Avian Influenza" that was held at Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of Veterinary Medicine, Cairo University in cooperation with General Authority for Veterinary Services in the period from 1

to 3 October, 2012.

- Participated in practical training course entitled "Modern Vision and Integrated Operations in Poultry Farms" that was held at Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University in the period from 13 to 18 October, 2012.
- Participated in practical training course entitled "Meeting Management" that was held at Training Unit, Faculty of Veterinary Medicine, Cairo University in 7 November, 2012.
- Participated in practical training course entitled "Types of Personal Work Style" that was held at Training Unit, Faculty of Veterinary Medicine, Cairo University in 19 November, 2012.
- Presented a lecture entitled "Problems Affecting Poultry Farms" for students group "Life Friends" in cooperation with Training Unit of Faculty of Veterinary Medicine, Cairo University in 22 November, 2012.
- Participated in the workshop entitled "Ethics in Science" that was held at DAAD in 25 November, 2012.
- Participated in practical training course entitled "Modern Vision and Integrated Operations in Poultry Farms" that was held at Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University in 28 November, 2012.
- Presented a lecture and participated in practical training course that was held at Unit of Diagnosis and Treatment of Poultry Diseases, Faculty of Veterinary Medicine, Cairo University in cooperation with General Authority for Veterinary Services in the period from 12 December, 2012.
- Participated in practical training course that was held at Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University in 13 December, 2012.
- Participated in practical training course that was held at Center of Applied Analytical and Veterinary Studies (CAAVS), Faculty of Veterinary Medicine, Cairo University in 10 January, 2013.
- Participated in practical training course that was held at Unit of Diagnosis and Treatment of Poultry Diseases in cooperation with Biotechnology Center for Services and Researches (B.C. S. R.), Faculty of Veterinary Medicine, Cairo University in 19 January, 2013.
