

CURRICULUM VITAE

Name :-

Ashraf Ali El-Desoky Shamaa
Professor of Surgery,
Dept. of Surgery, Anesthesiology & Radiology.
Faculty of Vet. Med.
Cairo University.

Personal Information:

Date of Birth: 9 March 1961.

Place of Birth: Cairo, Egypt.

Nationality: Egyptian.

Marital Status: Married.

Number of children: 1 child.

Address "Work": Surgery Department, Faculty of Veterinary.
Medicine, Cairo University, Giza, Egypt
P. O. Box 12211.
FAX No. 35725240.
Work: - +202 35720399 / +202 35720378
E-mail:- Vetdean@mail.eun.eg

Address "Home ": 15 Ahmad Sedek Street from Fared EL-Sebae
Arizona Alharm Giza. EGYPT.
Home: - +202 35610934
Clinic: - +202 33827238
Mobile +20106532031
E-mail:- Shamaa_61@yahoo.com
Ashrafshamaa@yahoo.com
Ashraf.shamaa@cu.edu.eg

Education:

B.V.Sc Faculty of Veterinary Medicine, Cairo University
M.V.SC.

“Studies on eye affections among camels in Egypt”
Ph. D

“Studies on arthritis in equine”

Degree	Area of specialization	Institution	Date
B. V.Sc	Veterinary Medicine	Faculty of Vet. Medicine Cairo University	May 1984
MD. Vet.	Veterinary Surgery, Radiology anesthesiology	Faculty of Vet. Medicine Cairo University	11/5/1988
Ph. D.	Veterinary Surgery, Radiology anesthesiology	Faculty of Vet. Medicine Cairo University	30/3/1994
Assistant prof.	Veterinary Surgery, Radiology anesthesiology	Faculty of Vet. Medicine Cairo University	23/2/2000
Professor	Veterinary Surgery, Radiology anesthesiology	Faculty of Vet. Medicine Cairo University	23/2/2005

Employment:

1984 to 1988 31/10/1984	Demonstrator of Vet. Surgery, Radiology & Anaesthesiology. Faculty of Vet. Med. Cairo University.
1988 to 1994 12/6/1988	Assistant Lecturer of Vet. Surgery, Radiology & Anaesthesiology. Faculty of Vet. Med. Cairo University.
1994 to 2000 30/3/1994	Lecturer of Vet. Surgery, Radiology & Anaesthesiology. Faculty of Vet. Med. Cairo University.
2000 to 2005 23/2/2000	Assistant professor of Vet. Surgery, Radiology & Anaesthesiology. Faculty of Vet. Med. Cairo University.
2005 to Current	Professor of Vet. Surgery, Radiology & Anaesthesiology. Faculty of Vet. Med. Cairo University.

Languages :

Language	Speaking	Writing
Arabic	Excellent (Mother tongue)	Excellent
English	Very good	Very good
Deutsch	Very good	good

Membership in Scientific Organizations:-

- 1- Egyptian Vet. Med. Association.
- 2- Egyptian Society of experimental Surgery (ESES)
- 3- International Buffalo Society.
- 4- Egyptian Society of camel Development.
- 5- Egyptian Veterinary Syndicate.
- 6- Germany Veterinary Syndicate.

Scholarship :-

1991 – 1993: Deutsch-Egypt channel system, Justus Liebig University, Giessen, Germany.

Participation in National and International Professional Meetings and Events :-

Date	Professional Organization Attended	Location
1994 22-24/3	The third scientific congress of faculty of Vet. Medicine, Cairo University. (3 paper)	Faculty of Veterinary Medicine Cairo University
1994	National Agriculture Research Projects "NARP" Congress. Accomplishments of the Project "Epidemiology, Clinical and Pathological studies on some Camel Diseases". December	International Agricultural Center. Cairo
1995	The Second Conference for Research:- 1-Projects in Cairo University "Epidemiology, Clinical and Pathological studies on some Camel Diseases" 2- Projects in Cairo University "Studies on Urolithiasis including the clinical, pathological studies and Nutritional effect".	International Agricultural Center. Cairo
1995 4-5/10	The Eight Scientific congress of Cairo under name "Arabian Horses".	Cairo
1996 3-6/4	The Fourth scientific congress of faculty of Vet. Medicine, Cairo University. (2 paper) & Member of organization comate.	Faculty of Veterinary Medicine Cairo University
1996	Training course and workshop. Basic principles of endoscope. (March)	Faculty of Veterinary Medicine Cairo University
1996	Training course and workshop. Basic principles of Vascular Surgery. (April)	Faculty of Veterinary Medicine Cairo University
1996	Training course and workshop. Basic principles of Cosmetics Surgery. (April)	Faculty of Veterinary Medicine Cairo University
1996 14-19/11	Training course and workshop. Tripartite hands on laparo-endoscopic. (Aarhus University Denmark, Menoufiya University Egypt and Tufts University USA.	Faculty of Veterinary Medicine Cairo University
1996	Training course and workshop. Lecturer & Trainer Basic principles of Fracture treatment.	Imbaba Veterinary Training Center
1997 5-7/5	Workshop of Processing Research Projects.	Cairo University Center of Nursing and its development
1997 9-22/8	Training Course Of Auto Suture. Lecturer and Trainer	Faculty of Veterinary Medicine Cairo University
1997	The Third Scientific Congress of the Academy of Scientific Research and Technology.	Academy of Science, Cairo
1998 10-12/3	3 rd International Congress Of Ultrasonography.	Cairo University In Collaboration with Hannover University-Germany
1998 2-3/5	The Third Meeting of general Assembly under Arid Zones circumstances.	El- Ein Emirates
1998	The Fives scientific congress of faculty of Vet. Medicine, Cairo University (1 paper) & Member of organization comate.	Faculty of Veterinary Medicine Cairo University

1998-2000	Continuous Education program. Training course and workshop. Lecturer & Trainer Basic & advanced principles of Veterinary Surgery.	Abasea Hospital Veterinary Training Center
1999 23-26/5	Conference On Biological Products For The 21 st Century: Future Of Serum And Vaccine Industry	Cairo University Future Research and Study Center
1999 24-27/5	FAO-DRC Workshop on Livestock and Drought: Policies for Coping with Changes. 1Paper	Animal & Poultry Production Desert Research Center Cairo
2000 29-31/10	The six scientific congress of faculty of Vet. Medicine, Cairo University. (1 paper) & Member of organization comate.	Faculty of Veterinary Medicine Cairo University
2000 11-12/5	The Second international Congress for the Reproductive Health. Member of organization comate.	Faculty of Medicine Cairo University
2000-2002	Continuous Education program.(With ministry of Health) Training course and workshop. Trainer Basic & advanced principles of Surgery.	Faculty of Veterinary Medicine Cairo University
2001 10-15/2	Training course and workshop for Cattle & Buffalo surgery. Lecturer & Trainer Basic & advanced principles of Veterinary Surgery.	Faculty of Veterinary Medicine Cairo University
2001 19/5-21/6	Continuous Education program. Training course and workshop. Lecturer & Trainer Basic & advanced principles of Veterinary Surgery.	Faculty of Veterinary Medicine Cairo University
2001 7-9/4	Conference about "The Future of The Blood Transfusion Therapy and Components Industry in Egypt.	Cairo University Future Research and Study Center
2001 20-25/10	Training course and workshop for Equine surgery. Lecturer & Trainer Basic & advanced principles of Veterinary Surgery.	Center of analysis and applied Veterinary Faculty of Veterinary Medicine Cairo University
2002 16-21/6	Continuous Education program. Training course and workshop. Lecturer & Trainer Basic & advanced principles of Veterinary Surgery.	Abasea Veterinary Training Center & Hospital
2002 15-27/6	Training course for Pet animals surgery (Bone surgery and Diagnostic image. Lecturer & Trainer	Faculty of Veterinary Medicine Cairo University
2003	Special Training Courses for veterinary doctor's. In between Faculty of Veterinary medicine, Cairo University and Minister of Defense and police. (Surgery, Anesthesia and Diagnostic image). Lecturer & Trainer	Faculty of Veterinary Medicine Cairo University
2003 29/11-5/12	The Annual International world Champion Ship and Meeting of Equine in Paris.	Paris
2004 29-31/10	The seventh scientific congress of faculty of Vet. Medicine, Cairo University. (1 paper) & Member of organization comate.	Faculty of Veterinary Medicine Cairo University
2004 4/11-10/12	The Annual International world Champion Ship and Meeting of Equine in Paris.	Paris

2005 20-25/10	Training course and workshop for Equine surgery. Lecturer & Trainer Basic & advanced principles of Veterinary Surgery.	Center of analysis and applied Veterinary Faculty of Veterinary Medicine Cairo University
2006 5/2-18/2	Training course for Nursing, Nutrition and Surgical problems of large animals (Equine, Cattle & Camel). Lecturer & Trainer	Center of analysis and applied Veterinary Faculty of Veterinary Medicine Cairo University
2006 15-18/3	Training course and workshop for Equine joint diseases.	Dubai Emirates state
2006 26-30/3	Training course and workshop for Equine surgery. Lecturer & Trainer Basic & advanced principles of Veterinary Surgery.	Center of analysis and applied Veterinary Faculty of Veterinary Medicine Cairo University
2006 3/11-9/12	The Annual International world Champion Ship and Meeting of Equine in Paris.	Paris
2007 18-20/3	Dubai International horse Fair	Dubai International convention and Exhibition center
2007 25-28/4	The 9th scientific conference of faculty of Vet. Medicine, Cairo University (1st international). Participation & Member of organization comate.	Faculty of Veterinary Medicine Cairo University (SHARM ELSHEIKH)
2007 3-5/5	Third international conference for scientific Research & its applications	Cairo University
2007 20-25/10	Training course and workshop for Equine surgery. Lecturer & Trainer Basic & advanced principles of Veterinary Surgery.	Center of analysis and applied Veterinary Faculty of Veterinary Medicine Cairo University
2007 3-9/12	The Annual International world Champion Ship and Meeting of Equine in Paris.	Paris
2008 23-25/11	13 th Scientific congress- Faculty of Veterinary Medicine Assiut University	Assiut University
2009 3-9/12	The Annual International world Champion Ship and Meeting of Equine in Paris.	Paris
٢٠٠٩ ٢٢-١٩/10	The 10th scientific conference of faculty of Vet. Medicine, Cairo University (2 nd international). Participation&Member of organization comate.	Faculty of Veterinary Medicine Cairo University (HURGHDA)
٢٠٠٩ 15-19/11	National Authority for Quality Assurance and Accreditation of Education الجزء الاول من دورة المراجعين الخارجيين دورة التقويم الذاتى المؤسسى لمؤسسات التعليم العالى	Cairo university
2009 13-17/12	National Authority for Quality Assurance and Accreditation of Education الجزء الثانى من دورة المراجعين الخارجيين دورة المراجعة الخارجيه لمؤسسات التعليم العالى	Cairo university
2010 1-3/2	VIV India 2010	Bangalore International Exhibition Centre Indian
2010 22-25/3	Continuous Education program.(With Intercofa company) Training course and workshop. Trainer Basic & advanced principles of Equine Medicine.	Sharm Elsheikh

2010 18-20/3	Dubai International horse Fair	Dubai International convention and Exhibition center
2010 8-10/4	The Egyptian National Arabian Horse Championship	Sakara Egyptian Arabian Horse Breeders Association

Supervision on Master and Ph D. Thesis

M. V. Sc. Thesis

- 1) Evaluation of some anesthetic Techniques in Pet animals under Local Circumstances (1997-2000). Finished.
- 2) The Effect of Mixing Cane Pulp with dry Yeast that used as foddering animals (2001-2004). Finished
- 3) Responding Exposed Tooth pulp for New Adhesive Resinous Regime in Dogs (2002-2004). Finished
- 4) Osteochondral Transplantation for Repair of joint defects in Equine (2004-2006). Finished
- 5) Treatment of superficial digital flexor tendon injuries using scar remodeling agents (19/6/2004). Under work
- 6) Surgical management of some back affection in dogs (18/11/2007-16/1/2008). Under work
- 7) The Fate of Bioengineered stem cells implanted in Dog's Jaw (Histological and histochemical study) (22/4/2009). Under work

Ph. D Thesis

- 1) Comparative studies on Abdominal Radiography and Ultrasonography in Pet animals (2004-2005). Finished
- 2) Comprehensive studies on the hip joint of dogs. (2006-2002010). Under work

Scientific Research project:-

- 1-Projects in Cairo University "Epidemiology, Clinical and Pathological studies on some Camel Diseases" NARP Project no, 91-H-2-4 (1993-1996)
- 2- Projects in Cairo University "Studies on Urolithiasis including the clinical, pathological studies and Nutritional effect". (1994-1996)
- 3- Project "A Prospective View on Camel In Egypt Through Its State Of Art"(1995-1997). The Academy of Scientific Research and Technology
- 4- Project "Further Studies on Camel Diseases including the Clinical studies and neonatal deaths" (1993-1997) The Camel Applied Research and Development Network, The Arab Center f Arid Zone And Dry Lands
- 5- Project "Further Studies on Camel Diseases including the Clinical studies and neonatal deaths" (1997-2000). The Camel Applied Research and Development Network, The Arab Center f Arid Zone And Dry Lands
- 6- Project "Design of Blood Pump for Treatment of Varicose in case of liver Cirrhosis as a result of Belhresiases. (2002). Cairo University

- 7- Project "**Further Studies on Camel Diseases including the Clinical studies and neonatal deaths**" (2002-2004). The Camel Applied Research and Development Network, The Arab Center f Arid Zone And Dry Lands
- 8- Project "**A Prospective View on Camel In Egypt Through Its State Of Art**"(2004-2006). The Academy of Scientific Research and Technology
- 9-Project "**Fate and Host Response to Autologous Intra-Articular Injection of Mesenchymal Stem Cell**" المصير والاستجابة للحقن المفصلي للخلايا المزنشيمية الجزعية الذاتية Principle investigator 1/1/2009-30/6/2010

Published Teaching Books

Veterinary Anesthesia (Course 407(I))
 Veterinary Diagnostic Imaging (Course 407 (II))
 General Surgery Practice Volume I & II
 Special Veterinary Surgery (Course 403)
 Special Veterinary Surgery (Volume II) “ophthalmology”
 Special Veterinary Surgery (Volume III) “Lameness”
 Operative Surgery & Diagnostic Image (Radiology & Ultrasound)

Educational Scientific Activity:-

أولاً: في مجال التدريس

١ - يقوم بتدريس مواد جراحة الحيوان العامة والخاصة والتخدير والأشعة (٤٠٣-٤٠٧ -
 ٥٥٢-٥٠١-٢١) لطلاب السنة الرابعة والنهائية و الدراسات العليا.

- | | | |
|---|----------------------------------|----------------------|
| 1. General surgery | 2. Diagnostic Radiology | 3. Anesthesia |
| 4. Ultrasonography | 5. Experimental surgery | 6. Ophthalmology |
| 7. Camel Surgery | 8. Equine Lameness | 9. Equine Surgery |
| 10. Pet animal Surgery | 11. Orthopedic Surgery | 12. Diagnostic Image |
| 13. Surgery of Digestive System in food animals | 14. Surgery of Urogenital system | |
| 15. Surgery of the Calves and small Ruminants | | |

- ٢ - يقوم بالتدريب العملي وأجراء العمليات الجراحية لطلاب الفرقة الرابعة والنهائية والدراسات العليا .
- ٣- الأشراف على المستشفى التعليمي بالكلية حيث يشمل التشخيص وأجراء العمليات الجراحية للحالات الخارجية والداخلية بالمستشفى . و تدريب الطلاب على كيفية تشخيص وعلاج المشكلات الجراحية المترددة على العيادة لقسم الجراحة والتخدير والأشعة - كلية الطب البيطري - جامعة القاهرة.
- ٤- الأشراف على التدريب الإكلينيكي لطلاب السنوات النهائية في المزارع والوحدات البيطرية في محافظتي القاهرة والجيزة وكذلك بالكلية لتدريب الطلاب - عمليا- على كيفية تشخيص وعلاج المشكلات الجراحية في ظروف بيئية مختلفة.
- ٥- المشاركة في تأليف كتاب الجراحة العملي والنظري (٤٠٣-٤٠٧-٥٥٢-٥٠١-٢١) لطلاب الفرقتين الرابعة والخامسة بكلية الطب البيطري-جامعة القاهرة.
- ٦- مساعدة طلاب الدراسات العليا في بعض الأجزاء الخاصة برسائل الماجستير والدكتوراه
- ٧- الأشراف على معمل قسم الجراحة و التخدير و الأشعة بكلية الطب البيطري-جامعة القاهرة.
- ٨- الأشراف على وحدة الأشعة التشخيصية بقسم الجراحة و التخدير و الأشعة بكلية الطب البيطري-جامعة القاهرة.
- ٩- الاشتراك في النشاط الطلابي - القوافل العلاجية.
- ١٠- التدريب العملي والنظري لطلاب الدراسات العليا (دبلوم - ماجستير - دكتوراه) في مقررات الجراحة والتخدير والأشعة بكلية الطب البيطري-جامعة القاهرة.
- ١١ - المساهمة في حل المشكلات والعقبات التي تواجه الطلاب وذلك من خلال ساعات الريادة العلمية والساعات المكتبية.
- ١٢ - المساهمة في حل المشكلات والعقبات و أعطاء الاستشارات البيطرية القانونية.
- ١٣ - مشرف مساعد الجمعيات العلمية بكلية الطب البيطري جامعة القاهرة (٢٠٠٤ - ٢٠٠٦)
- 14- مشرف ماده (Co-coordinator) ٥٠١ لطلاب السنه النهائيه

ثانيا : مشروعات خدمة المجتمع وتنمية البيئة:

- ١- المشاركة في القوافل الطبية لخدمة المجتمع بمحافظات مصر في سنوات ٢٠٠١ - ٢٠٠٢ - ٢٠٠٣ - ٢٠٠٤ .
- ٢- المشاركة في القوافل الطبية لخدمة المجتمع بمحافظة الجيزة من ٧/١٥ حتى ٢٤/٧/٢٠٠١م
- ٣ - المشاركة في قوافل التنمية وخدمة المجتمع في الفترة من ٧/١٩ - ١١/٨/٢٠٠٣م
- ٤ - المشاركة في قوافل التنمية وخدمة المجتمع في الفترة ٢٠٠٤م - ٢٠٠٦م
