### Curriculum Vitae

#### *personal Information*

<b>Name</b>	Diea Gamal Eldien Abo El-Hassan El-Lithy	
<b>Title</b>	Professor of Animal Infectious Diseases	
<b>Date of birth</b>	16 / 8 / 1956	
<b>Place of birth</b>	Menoufia Governorate	
<b>Citizenship</b>	Giza Governorate	

#### *Contact Information*

<b>Home phone</b>	02 38373021
<b>Work phone</b>	02 35722263
<b>Mobile phone</b>	0100 1580486
<b>E-mail (s)</b>	dieaabo@gmail.com
<b>Web site (s)</b>	-
<b>Current Address</b>	6 October city - Seventh District - Abu Bakr Siddiq Street - Building 6 B

#### *Educational Qualifications*

Ph. D., Faculty of Veterinary Medicine, Cairo University, 1987
M. Sc., Faculty of Veterinary Medicine, Cairo University, 1983
B. Sc., Faculty of Veterinary Medicine, Cairo University, 1979

#### *Academic Positions*

Professor, Internal Medicine & Infectious Diseases Department, Faculty of Veterinary Medicine, Cairo University, 1997
Associate Professor, Internal Medicine & Infectious Diseases Department, Faculty of Veterinary Medicine, Cairo University, 1992
Lecturer, Internal Medicine & Infectious Diseases Department, Faculty of Veterinary Medicine, Cairo University, 1987
Assistant Lecturer, Internal Medicine & Infectious Diseases Department, Faculty of Veterinary Medicine,

## وحدة ضمان الجودة

Cairo University, 1984

Demonstrator, Internal Medicine & Infectious Diseases Department, Faculty of Veterinary Medicine, Cairo University, 1980

### **Administrative positions**

Director of Publications and Publishing Center , Faculty of Veterinary Medicine, Cairo University

### **Thesis Title**

**M. Sc.** Studies on Enteroviruses in Calves in Egypt.

**Ph. D.** Studies on Rinderpest and diseases like in Egypt.

### **Areas of experience**

- Infectious diseases of Cattle and Buffaloes.
- Infectious diseases of Camels.
- Infectious diseases of Equine.
- Infectious diseases of Sheep and Goats.
- Management and follow-up of livestock projects.
- Management and follow-up publishing and printing centers.

### **Projects**

- Campaign of Rinderpest eradication in Egypt and North Africa – American Project No. 216.
- Campaign of Brucellosis eradication in Egypt - American Project No. 214.
- Tri nations project for Neonatal calf diseases in Egypt.
- Diagnosis of Dibdibba syndrome in Saudi Arabia.
- Early diagnosis and control of paratuberculosis in camel in Saudi Arabia.
- Toxic Effect of Salinomycine on camels in Saudi Arabia.

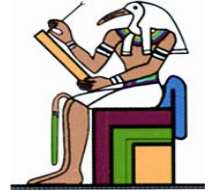

### **Awards**

- Alexandria University award for animal diseases research, 1995.
- Egyptian Academy of Scientific Research award for Cattle Diseases, 1997.
- Saleh Kamel Center for Islamic Economy- El-Azhar University award, 2004.

## وحدة ضمان الجودة

جامعة القاهرة

### **Professional Qualifications**

#### **Conferences**

- International Congress of livestock diseases in Los Angeles – united states, 1990.
- Arab Maghreb Union (AMU) Scientific Conference of livestock diseases in Tripoli – Libya, 1992.
- Arab Maghreb Union Scientific Conference of livestock diseases in Tunis – Tunisia, 1993.
- Scientific conference organized by the Faculty of Veterinary Medicine - Alexandria University, 1995.
- Scientific conferences organized by the Faculty of Veterinary Medicine - Cairo University .
- Veterinary Medicine conferences organized by the Egyptian Veterinary Medical Association.
- The first scientific meeting on camels - Qassim - Saudi Arabia, 2006.
- Workshop " paratuberculosis in camel." King Abdul Aziz City for Science and Technology - Riyadh - Saudi Arabia, 2008.
- International Workshop " Dibdibba syndrome in camel." King Abdul Aziz City for Science and Technology - Riyadh - Saudi Arabia, 2009.
- Fourth Scientific Conference of the Association of Agricultural Chemistry and Environmental Protection - environmental risks and solutions, Ain Shams University, 2010.
- Animal Wealth Research Conference, Giza – Egypt, 2012.
- Egyptian – African Conference for Animal Diseases Epidemiology , Cairo – Egypt, 2012.

#### **Training courses**

- University teacher preparation - Education Development Center - Cairo University, 1985.
- Fish diseases: Academy of Scientific Research and Technology, Egypt, 1986.
- Epidemiology of Viral diseases in calves: Texas A&M University, USA, 1989.
- Epidemiology and diagnosis of viral and bacterial diseases that cause problems in Asian and African countries, Plum Island Animal Disease Center, New York - United States, 1989.
- Radiological Safety: Texas A&M University, Office of Radiological Safety, USA, 1990.
- Uses of electron-microscopy in disease diagnosis: Veterinary Services Laboratories, Collage Station, Texas, USA, 1990.
- Ultrasonography as a diagnostic tool in calf diseases: Faculty of Vet. Med., Hanover University, Germany, 1998.
- Diagnostic Ultrasonography ; College of Veterinary Medicine - Cairo University, 2004.

## وحدة ضمان الجودة

- Electronic course design using Learning Management Systems (LMS), National Center for E-learning and distance education, Riyadh - Saudi Arabia, 2010 .
- Course Lab program for the design of E-courses, E-learning center and distance education - Qassim University - Saudi Arabia, 2010.

### **Computer Skills**

- Microsoft Office
- Photoshop Designs.
- Learning Management Systems (LMS) for E-learning.
- Course Lab program for E-learning.

### **Language Skills**

- Arabic
- English

### **Professional Memberships**

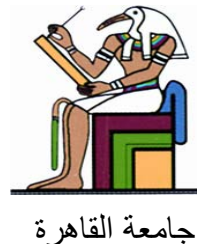

- Member of the Egyptian veterinarians Syndicate .
- General Secretary of the Social Association of veterinarians.
- Member of the Egyptian Veterinary Medical Association.
- Member of the Egyptian Society of livestock diseases.
- Member of the Egyptian Society of buffalo diseases.
- Member of the Egyptian - African Society of epidemiology.
- Member of the American Society of Veterinary laboratory diagnosis.
- Member of the Egyptian Society of Fertility and reproduction.
- Member of the Central Assembly of Local and Regional Integrated Development - Ain Shams University.
- Member of the Association of Agricultural, Chemistry and Environmental Protection - Ain Shams University.

### **Other activities**

- Member of Cairo university team for Veterinary campaigns allover the Egyptian Governorates.
- Consultant for several dairy and feed lot farms in Egypt and Saudi Arabia.
- Consultant for Egyptian Ministry of Security for Animal Wealth.
- Clinical diagnosis of Infectious Animal diseases at Vet. Clinic, Faculty of Veterinary Medicine, Cairo University.
