Current Address	Dept. of Nutrition & Clinical Nutrition Fac. of Vet. Med .Cairo Univ. Giza, 12211 Egypt.

Educational Qualifications

Ph. D., Faculty of Veterinary Medicine, Cairo University, 1991
M. Sc., Faculty of Veterinary Medicine, Cairo University, 1987
B. Sc., Faculty of Veterinary Medicine, Cairo University, 1983

Academic Positions

Professor of Nutrition and Clinical Nutrition Fac. of Vet. Med. Cairo Univ. Giza, Egypt. 2004- present
Head of Dept. of Nutrition and Clinical Nutrition Fac. of Vet. Med. Cairo Univ. 2013-2016
Associate Professor of Nutrition and Clinical Nutrition Fac. of Vet. Med. Cairo Univ. Egypt., 1996
Lecturer, of Nutrition and Clinical Nutrition Fac. of Vet. Med. Cairo Univ. Giza, Egypt., 1991
Assistant Lecturer, of Nutrition and Clinical Nutrition Fac. of Vet. Med. Cairo Univ. Giza, Egypt., 1987
Demonstrator, of Nutrition and Clinical Nutrition Fac. of Vet. Med. Cairo Univ. Giza, Egypt., 1983

Administrative positions

Head of Department of Nutrition and Clinical Nutrition, 2013-2016

Thesis Title	
M. Sc.	El-Banna , R. (1987) : The role of nutrition in the problem of ascites in broiler chickens M.V.Sc. Thesis, Fac. Vet. Med. Cairo Univ. Egypt.
Ph. D.	El-Banna , R. (1991) :Studies on some nutrients requirement for tilapia and its effects on performance . Ph. D Thesis, Fac. Vet. Med. Cairo Univ. Egypt.
Areas of experience	
<ul style="list-style-type: none"> - More than thirty five years of research work and activities in the field of animal, poultry and fish Nutrition & clinical Nutritional. - Teaching of Nutrition & clinical Nutrition and quality control of animal feeds for under and postgraduate Veterinary students . - Guiding many M. V. Sc. and Ph. D. students for their thesis . -Consultancy services to several commercial animal, poultry and fish projects and feed manufacturing industries. - Field experience in dealing with problems of feeds and feeding strategies of animal, poultry and fish production. - Evaluation of feasibility studies for the commercial level of animals , poultry and fish farming projects - Technical consultant of many large private companies in the area of animal, poultry and aquaculture production projects. 	
Projects	
<ol style="list-style-type: none"> 1. Main investigator in a two- year survey project aiming at Mycotoxins status of Egyptian Feeds sponsored by Envivo Company in Rennin, France (2011-2013). 2. Main investigator in a working project concerning on comparing different techniques in determination of the Metabolisable energy in feeds for poultry (2012-2013) . 3. Participated in a research project concerning Nutrition and Immune Status funded by USA under No. H-2-9 NARP (National Agricultural Research Project). 	
Awards	
Awarded the best two research articles in The Egyptian veterinary Poultry Association Conference from 4 to 7 December 2017, Hurgada, Egypt (2017).	
Professional Qualifications	
<u>Conferences</u>	
<u>Presented article (S) in the following conferences</u>	
<ul style="list-style-type: none"> -The 32nd Science week, Supreme Council of Syrian Arab Republic (1992) -The 4th. Symp. Anim. Poultry and Fish Nutr. El-Fayoum, Egypt (1993) -The 3rd. Sci. Cong. Fac. Vet. Med. Cairo Univ. Egypt (1994) 	

- The first Saudi Agriculture Conf. Faculty of Agriculture, King Saud University, Riyadh, Kingdom of Saudi Arabia.(1997)
- The 7th International Conference on Environment Protection is a Must, Organized by N.I.O.F. (National Institute of Oceanography and Fisheries) and I.S.A. (International Scientists Association). Alexandria, Egypt.1997
- The international conference “Development and environmental impact”. Organized by Ministry of Municipal and Rural Affairs, Riyadh, Kingdom of Saudi Arabia.(1997)
- The first Saudi Agriculture Conf. Faculty of Agriculture, King Saud University, Riyadh , Kingdom of Saudi Arabia (1997)
- The 25th Arab Veterinary Medical Congress. 6-9 May Cairo – Egypt.(2000)
- The 25th Arab Veterinary Medical Congress. 6-9 May (2001) Cairo – Egypt, Journal of Egyptian Vet. Med. Ass. 61, 3: 413 - 425. (2001)
- The 11th European poultry conference 6-10 September-Bremen. Edited by European Fedration World’s Poultry Science Association (WPSA).(2002)
- The fourteenth annual congress of the Egyptian Soc. for Animal reproduction and fertility . in cooperation with the Egyptian Vet. Nutr. Assoc. Giza 2-7 February, 153-160. (2002)
- The 22nd Workshop. September, 24th and 25th , Main building of the Friedrich Schiller University Jena, Germany.(2004)
- The 3th International Symposium on Turkey production Meeting of the Working Group 10 (Turkey) held in Berlin, Germany 15th – 18th June 2006 Organized and Published by Prof. Dr. H. M. Hafez Institute of Poultry Diseases, Free University, Berlin, Königsweg Berlin, Germany.(2006)
- The 4th International Symposium on Turkey production Meeting of the Working Group 10 (Turkey) held in Berlin, Germany 21st – 23rd June 2007 Organized and Published by Prof. Dr. H. M. Hafez Institute of Poultry Diseases, Free University, Berlin, Königsweg , Berlin, Germany.(2007)
- The International Conference Of Malasia Agriculture Development Research institute (MARDI) . ican. Malaysia. 24-26 April (2012).
- The International Conference on Agricultural, Food and Animal Sciences. Singapore. 22 July (2012).
- The international British Society of Animal Association (BASA) .Nottingham, England 16-18 April (2013).
- The Egyptian veterinary Poultry Association Conference from 4 to 7 December 2017, Hurgada, Egypt (2017).

Training courses

- 1 -Attended the training course on” Detection of Mycotoxin residues in food, feeds, tissues, and biological fluids using chromatography ” held at the National Research Center, Dokki, Giza, Egypt (1994) .
- 2-Resource person in the “ Regional Training Course on Aquaculture Nutrition and Feed Technology” organized by FAO at Fish Farming Center , Jeddah , Saudi Arabia Nov - Dec . (1995).
- 3 - Organizer of the training course on” Marine Ecology and its Impact on Aquaculture” held at the National Agriculture Research Center, Ministry of Ariculture and Water, Riyadh, Kingdom of Saudi Arabia (1997).
- 4- Co-organizer of the training course on” Principles of Aquaculture” held at El-Qaseem Agriculture Research Center , Ministry of Agriculture and Water , Riyadh , Kingdom of Saudi Arabia (1997) .

Computer Skills

- 1- Passing session MS-Windows X, held in University of Cairo.
2. Passing session MS-Excel XP held in scientific computing centre of Cairo University

Language Skills

Arabic(native)
Excellent English (writing and reading).

Professional Memberships

- Member of Continual Scientific Assistant Professors and Professors promotion committee of Animal Hygiene ,Nutrition and food control - Referee
- Member of Continual Scientific Assistant Professors and Professors promotion committee of Agriculture Research Centre (Regional Institute for Food and Feed)- Main member.
- Member of Scientific Committee of Science & Technology Development Fund - Ministry of Scientific Research
- Member of the faculty Council.
- Member of Department of Nutrition and Clinical Nutrition Member of Egyptian society of Nutrition.
- Member of veterinary syndicate
- Member of Egyptian society for fertility and reproduction
- Member of Egyptian society for physiological science
- Member of the Egyptian Poultry Science Association
- Member of the International World Poultry Science Association

Other activities

Guest Lectures

- El- Banna** (1995) : Nutrition and fish immunity in the “ Regional Training Course on Aquaculture Nutrition and Feed Technology” organized by FAO at Fish Farming Center , Jeddah , Saudi Arabia Nov - Dec . (1995)
- El- Banna R.** (1995) : Formation , prevention and control of mycotoxins in fish feeds . in the “ Regional Training Course on Aquaculture Nutrition and Feed Technology” organized by FAO at Fish Farming Center , Jeddah , Saudi Arabia Nov - Dec . (1995)
- **El-Banna R.** (1997) : Fungi and mycotoxins in fish diets . In the training course on” Marine Ecology and its Impact on Aquaculture” held at the National Agriculture Research Center , Ministry of Ariculture and Water , Riyadh , Kingdom of Saudi Arabia (1997) .
- **El-Banna R.** (1997) : Principles of fish nutrition . In the training course on” Marine Ecology and its Impact on Aquaculture” held at the National Agriculture Research Center , Ministry of Ariculture and Water , Riyadh , Kingdom of Saudi Arabia (1997) .
- **El-Banna R.** (1997) : Evaluation of some non- conventional fish diets . In the training course on” Marine Ecology and its Impact on Aquaculture” held at the National Agriculture Research Center , Ministry of Ariculture and Water , Riyadh , Kingdom of Saudi Arabia (1997) .
- **El-Banna R.** (1997) : Relationship between diet and fish immune response . In the training course on” Marine Ecology and its Impact on Aquaculture” held at the National Agriculture Research Center , Ministry of Ariculture and Water , Riyadh , Kingdom of Saudi Arabia (1997) .
- **El-Banna R.** (1999) : Effect of Mycotoxins on performance and production of Animals and poultry . In the Saudi Agriculture exhibition. Riyadh, Kingdom of Saudi Arabia (1999).
- **El-Banna R.** (2000) : Some Nutritional and metabolic disorders of Chickens and their economic Impact
- **El-Banna R.** (2000) : Feeds and Feeding of Fish . In the training course on (Aquatic Feed safety) held at the Regional Center For Safety and Quality of Food Stuffs. 29/1/2000 – 24/2/2000.
- **El-Banna R.** (2000) : Nutrition and Fish immunity . In the training course on (Aquatic Feed safety) held at the Regional Center For Safety and Quality of Food Stuffs. 29/1/2000 – 24/2/2000.
- **El-Banna R.** (2000) : Evaluation of some non-conventional fish diets . In the training course on (Aquatic Feed safety) held at the Regional Center For Safety and Quality of Food Stuffs . 29/1/2000 – 24/2/2000.
- El-Banna R.** (1990- present) presented more than 25 lectures in different nutritional topics under the umbrella of the activities of the Center of Applied Analysis and Veterinary Studies.
- El-Banna R.** (1990- present) presented more than 25 lectures in different nutritional topics under the umbrella Embaba Training Center, Veterinary services Division, Ministry of Agriculture.
