Thesis Title

PhD: Clinicopathological studies on mastitis in cattle and buffaloes.

MVSc: Hematological and histopathological changes in turkeys naturally affected with *Mycoplasma meleagridis*.

Areas of experience

Clinicopathological changes associated with environmental pollutants in animals` and fish, laboratory diagnosis of immune-mediated blood diseases in animals, coagulation disorders, mastitis in animals, use of cytogenetics for diagnosis of animal diseases, diagnosis of animal diseases by molecular biology techniques, laboratory diagnosis of tumors in animals and poultry.

Projects

- 1- Evaluation of the periodical reports of the project "Establishment of economical protocol for continuous production of fasciola antigen used for vaccine and diagnostic kit production" sponsored by Academy of Scientific Research and Technology during the period from 2004-2009.
- 2-Evaluation of the final scientific report of the project "Effects of camphor in evaluating reproductive performance and as a protective agent against atrazine herbicide toxicity in male rats". National Research Center, Dokki, Cairo, Egypt, 2013.

Awards

- Awarded Cairo University reward for publication at International Journals in 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2017 and 2019.
- Obtained the title of ideal mother for the college (2016/2017) and Cairo University (2020/2021).

Professional Qualifications

Conferences

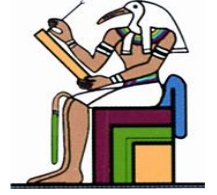

- 1-The International Scientific Conference of Pathology Department, April 2013 (President of the session " Global Alliances in Veterinary Pathology Teaching, Diagnostics, and Research.
- 2 - The first Scientific Conference of the Pathology Dept., " The current challenges of the viral diseases in Egypt" (2012).
- 3 - Third Scientific Conference of Microbiology Dept., Faculty of Veterinary Medicine, Cairo University (2011).
- 4- 12th Conference of International Poultry Federation in association with The Egyptian Veterinary Poultry Association, Cairo (2002).
- 5 - Annual meeting of The American Veterinary Medical Association, California, USA (1985).
- 6 - Continuous Veterinary Medical Education Conference, Cornell University, USA (1985).

Training courses

كلية الطب البيطري
جامعة القاهرة

وحدة ضمان الجودة

جامعة القاهرة

- 1- Laboratory Performance and Quality Assurance Course, Medical Technology Center for Research and Services, Medical Research Institute, Alexandria University, June (2009).
- 2- Workshop on "your future in Science: Writing and Publishing a Scientific Paper", held by the Journal of Advanced Research, the Official Journal of Cairo University, at Cairo University Conference Center, April 2013.
- 3- حضور ورشة عمل "نظم القياس والتقويم وإعداد المفردة الإختبارية" مركز جامعة القاهرة لضمان جودة التعليم 2021/2/3-2.
- 4- حضور ورشة عمل " القياس والتقويم التربوى والتحول الرقمى " " مركز جامعة القاهرة لضمان جودة التعليم 2021/3/3

Computer Skills

Good

Language Skills

Written and spoken English language - very good

Professional Memberships

- Participated in the establishment of curricula of clinical pathology courses with Heads of the departments of clinical pathology in the Egyptian faculties of veterinary medicine as advised by the Sector Committee of Veterinary Medicine, Supreme Council of Universities (2000).
- Member of the Academic Committee for promoting staff members in Veterinary Pathology and Clinical Pathology, Supreme Council of Universities , 2004 –2008 and 2015 -2018.
- Member of the Specialized Advisory Committee for the Veterinary Studies Sector at the Supreme Council of Universities, 2013 - 2015.
- Member of the Egyptian Veterinary Medical Society for Pathology and Clinical Pathology.
- Member of the Egyptian Veterinary Medical Association.

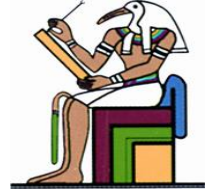

Other activities

- Teaching undergraduate and postgraduate courses of clinical pathology at the Faculties of Veterinary Medicine at Cairo, Beni Suif and Benha Universities.
- Published fifty-seven papers in the field of specialization at both national and international journals.
- Supervised fifty postgraduate students for Master and Ph. D. degrees at the Faculties of Veterinary Medicine at Cairo, Beni Suif and Benha Universities.
- Shared as a member of the panel for fifty-five Master and Ph. D. dissertations at faculties of veterinary medicine at Cairo, Beni Suif, Zagazig, Benha and Suez Canal Universities.
- Arbitration of scientific production for applicants for the University Incentive Award at :
