### Curriculum Vitae

#### Personal Information:

<b>Name</b>	Diea Gamal Eldien Abo El-Hassan
<b>Title</b>	Professor of Animal Infectious Diseases
<b>Date of birth</b>	16 / 8 / 1956

#### Contact Information:

<b>Home phone</b>	002-02-36972025
<b>Mobile phone</b>	002-01001580486
<b>E.mail (s)</b>	<a href="mailto:dieaabo@gmail.com">dieaabo@gmail.com</a> <a href="mailto:dieaabo@cu.edu.eg">dieaabo@cu.edu.eg</a> <a href="mailto:dieaabo@vet.cu.edu.eg">dieaabo@vet.cu.edu.eg</a>
<b>Web site (s)</b>	<a href="http://dieaelithy/scholar.cu.eg">http://dieaelithy/scholar.cu.eg</a>

#### Educational Qualifications:

Ph. D., Faculty of Veterinary Medicine, Cairo University and Texas A&M University, 1987

**Thesis Title:** Studies on Rinderpest and diseases like in Egypt.

M. Sc., Faculty of Veterinary Medicine, Cairo University, 1983

**Thesis Title:** Studies on Enteroviruses in Calves in Egypt.

B. Sc., Faculty of Veterinary Medicine, Cairo University, 1979

#### Academic Positions:

Professor of Infectious Diseases, Dep. of Medicine and Infectious Diseases, Fac. of Vet. Med., Cairo Univ., 1997

Ass. Professor of Infectious Diseases, Dep. of Medicine and Infectious Diseases, Fac. of Vet. Med., Cairo Univ., 1992

Lecturer of Infectious Diseases, Dep. of Medicine and Infectious Diseases, Fac. of Vet. Med., Cairo Univ., 1987

Ass. Lecturer of Infectious Diseases, Dep. of Medicine and Infectious Diseases, Fac. of Vet. Med., Cairo Univ., 1984

Demonstrator of Infectious Diseases, Dep. of Medicine and Infectious Diseases, Fac. of Vet. Med., Cairo Univ., 1980

#### Administrative positions:

Head Department of Internal Medicine and Infectious Diseases, Faculty of Veterinary Medicine, Cairo University, 2015.

Director of Publications and Printing Center , Faculty of Veterinary Medicine, Cairo University, 2010 -2015.

كلية الطب البيطري

## وحدة ضمان الجودة

جامعة القاهرة

### Areas of Scientific experience:

1. Epidemiology and Infectious diseases of Cattle and Buffaloes.
2. Epidemiology and Infectious diseases of Camels.
3. Epidemiology and Infectious diseases of Equine.
4. Management and follow-up of livestock projects ( Dairy & Fattening ).
5. Management and Epidemiology Of Infectious diseases of Zoo animals.
6. Management and follow-up publishing and printing centers.
7. Functional foods.

### Projects:

1. Anti\_breast cancer effect of feeding dairy products , rich in conjugated linoleic acid ( CLA ), in prevention of breast cancer in female subjects. Cairo University , 2017- 2021.
2. Early diagnosis and control of paratuberculosis in Saudi Arabia, King Abdulaziz City for Science and Technology , 2007 - 2011.
3. Diagnosis of Dibdibba syndrome among camels in Saudi Arabia, King Abdulaziz City for Science and Technology (KACST), 2008.
4. Toxic Effect of Salinomycine on camels in Saudi Arabia. Qassim University, 2010.
5. Campaign of Rinderpest eradication in Egypt and North Africa – American Project No. 216.
6. Campaign of Brucellosis situation and control in Egypt - American Project No. 214.
7. Tri nations project for Neonatal calf diseases in Egypt.

### Awards:

1. *International publications awards* from Cairo University for years 2013, 2014, 2015, 2016, 2017, 2018.
2. Saleh Kamel Center for Islamic Economy- Economics of camel industry- El-Azhar University award, 2004.
3. Egyptian Academy of Scientific Research award for Cattle Diseases, 1997.
4. Alexandria University award for animal diseases research, 1995

### Professional Qualifications:

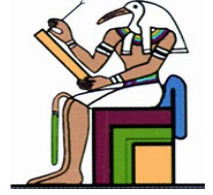

#### Conferences: (Speaker, attendant, organizer, ..... etc.)

1. 1<sup>st</sup> Arab Veterinary Conference, The Egyptian veterinary Medical association. at the Egyptian International Agriculture Centre, Dokki, Giza, Egypt. 7-8 May, 2017

كلية الطب البيطري  
جامعة القاهرة

## وحدة ضمان الجودة

جامعة القاهرة

2. Scientific conference organized by the Faculty of Veterinary Medicine - Cairo University, 2016
3. Scientific conference organized by the Department of Internal Medicine and Infectious Diseases, Faculty of Veterinary Medicine - Cairo University, 2016
4. Inter- Regional Conference to Promote Safe and Stable Livestock Trade Between the Horn of Africa and the Middle East, 22-24 November 2015, Dubai, United Arab Emirates.
5. Scientific conference organized by the Faculty of Veterinary Medicine - Cairo University, 2014. World Congress and Expo on Applied Microbiology, August 18-20, 2015 - Frankfurt, Germany.
6. Scientific conference organized by the Egyptian Society of Fertility and reproduction, Faculty of Veterinary Medicine - Cairo University, 2013 .
7. Egyptian – African Conference for Animal Diseases Epidemiology , Cairo – Egypt, 2012.
8. Animal Wealth Research Conference for Middle East And North Africa , Giza – Egypt, 1-3 October 2012.
9. Fourth Scientific Conference of the Association of Agricultural Chemistry and Environmental Protection – environmental risks and solutions, Ain Shams University, 2010.
10. International Workshop " Dibdibba syndrome in camel." King Abdul Aziz City for Science and Technology - Riyadh - Saudi Arabia, 2009.
11. Workshop " paratuberculosis in camel." King Abdul Aziz City for Science and Technology - Riyadh - Saudi Arabia, 2008.
12. The first scientific meeting on camels - Qassim - Saudi Arabia, 2006.
13. Veterinary Medicine conferences organized by the Egyptian Veterinary Medical Association, 1996 - 2006.
14. Scientific conferences organized by the Faculty of Veterinary Medicine - Cairo University, 1996 - 2006 .
15. Scientific conference organized by the Faculty of Veterinary Medicine - Alexandria University, 1995.
16. Arab Maghreb Union Scientific Conference of livestock diseases in Tunis – Tunisia, 1993.
17. Arab Maghreb Union (AMU) Scientific Conference of livestock diseases in Tripoli – Libya, 1992.
18. International Congress of livestock diseases in Los Angeles – united stats, 1990.

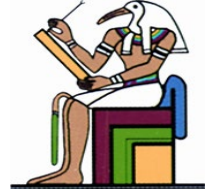

### ***Training courses: (Attendant, organizer, ..... etc.)***

1. Workshop "Setting question banks through the Gourmet platform". VET-MAU, Fac. Vet. Med. Cairo University, August 2021.
2. Workshop " Electronic exams ". VET-MAU, Fac. Vet. Med. Cairo University, July 2021.
3. Workshop " Course Description ". Cairo University Center for Quality Assurance of Education , March 2021

كلية الطب البيطري  
جامعة القاهرة

## وحدة ضمان الجودة

جامعة القاهرة

4. Workshop " Measurement, educational evaluation and digital transformation ". Cairo University Center for Quality Assurance of Education (CUCQAE) , March 2021
5. Workshop " Practicing on the blackboard platform ". VET-MAU, Fac. Vet. Med. Cairo University, February 2021.
6. Workshop " Measurement and evaluation systems and preparation of the test item ". Cairo University Center for Quality Assurance of Education (CUCQAE) , February 2021
7. Workshop " Anticancer activity of milk fat rich in conjugated linoleic acid ". Oncology Center in Fayoum 2020
8. Workshop "Mechanisms for producing an electronic course" - Cairo University Center for Quality Assurance of Education, 5-7 April,2016
9. Electronic course design using Learning Management Systems (LMS), National Center for E-learning and distance education, Riyadh - Saudi Arabia, 2010 .
10. Course Lab program for the design of E-courses, E-learning center and distance education - Qassim University – Saudi Arabia, 2010.
11. Mechanisms for Program description Qassim University – Saudi Arabia, 2009.
12. Mechanisms for Course description Qassim University – Saudi Arabia, 2009.
13. Ultrasonography as a diagnostic tool in calf diseases: Fac. Vet. Med., Hanover University, Germany, 1998.
14. Uses of electron-microscopy in disease diagnosis: Veterinary Services Laboratories, Collage Station, Texas, USA, 1990.
15. Radiological Safety: Texas A&M University, Office of Radiological Safety, USA, 1990.
16. **Epidemiology** and diagnosis of viral and bacterial diseases that cause problems in Asian and African countries, Plum Island Animal Disease Center, New York - United States, 1989.
17. **Epidemiology** of Viral diseases in calves: Texas A&M University, USA, 1989.
18. Fish diseases: Academy of Scientific Research and Technology, Egypt, 1986.
19. University teacher preparation - Education Development Center - Cairo University, 1985.

### **Computer Skills:**

1. Microsoft Office.
2. Photoshop Designs.
3. Learning Management Systems (LMS) for E-learning.
4. Course Lab program for E-learning.

كلية الطب البيطري  
جامعة القاهرة

## وحدة ضمان الجودة

جامعة القاهرة

### **Language Skills**

1. Arabic.
2. English

### **Professional Memberships**

1. Member of the Egyptian veterinarians Syndicate .
2. General Secretary of the Social Association of veterinarians.
3. Member of the Egyptian Veterinary Medical Association.
4. Member of the scientific committee of the General Organization for Veterinary Services, Egypt.
5. Member of the Supreme Committee for Zoonotic diseases, General Organization for Veterinary Services, Egypt.
6. Member of the Egyptian - African Society of epidemiology.
7. Expert for Arab Organization for Agriculture Development (AOAD).
8. Member of the American Society of Veterinary laboratory diagnosis.
9. Member of the Egyptian Society of livestock diseases.
11. Member of the Egyptian Society of buffalo diseases.
12. Member of the Egyptian Society of Fertility and reproduction.
13. Member of the Egyptian Association of food safety.
14. Member of the Egyptian Association of Nutrition.
15. Member of the Association of Agricultural, Chemistry and Environmental Protection - Ain Shams University.
16. Member of the Central Assembly of Local and Regional Integrated Development - Ain Shams University.

### **Other activities**

- = Member of Cairo university team for Veterinary campaigns all over the Egyptian Governorates.
- = Consultant for several dairy and feed lot farms in Egypt and Saudi Arabia.
- = Consultant for Egyptian Ministry of Security for Animal Wealth.
- = Consultant of Infectious Animal diseases at Vet. Clinic, Faculty of Veterinary Medicine, Cairo University.
